Churches

Nazarene Church To Hold Daily Bible Classes

Daily Vacation Bible School will be held in the Nazarene Church, 1501 West Canyon, beginning June 19 and continuing daily, except Saturday and Sunday, through Friday June 30, according to Rev. W. A. Penner, pastor. Mrs. Lucile Jackson of Indio, Calif., who has directed a large number of schools during the past few years, will be the director. A Sunday school picnic on Saturday, July 1, will conclude the sessions. The Sunday morning services on June 18 will be dedicated to fathers. All dads are requested to bring the entire family to Sunday school and church.

Rev. Miller to Attend Methodist Conference

Rev. Clarence E. Miller, of the First Methodist Church, and James E. Matthews will attend the annual conference meeting of the Southern California-Arizona Conference of Methodists which meets at the Redlands University from June 19 to 26. The conference will be unique, the Rev. Miller reports, in the sense that it will be the first white annual-conference presided over by a Negro bishop. Bishop Alexander P. Shaw, former pastor of the Wesley Church of Los Angeles, is the honored churchman. The resident bishop, James C. Baker, will be the speaker at the evening sessions.

Wallenstein Signs For Concert Hour

The United States Steel hour of "Summer Concerts" for June 18 will have the distinguished American conductor, Alfred Wallenstein, directing the NBC Symphony orchestra, via stations of the National Broad-casting Company at 5:30 p. m. Featured as soloist will be William Kapell, brilliant pianist.

Four Square Church Congregation To Hear Former Counsellor

Rev. Gerald Weaver will be the guest speaker Friday evening at 7:30 p. m. in the Torrance Foursquare Church, 1207 El Prado. This young man was cabin counsellor in the Youth Camp held at Camp Radford last year where over 300 young people were in attendance. Father's Day will be remembered in the Torrance Foursquare Church Sunday, and in the evening evangelistic service during the special program. A gift will be given to the father having the largest number of his children and grandchildren present. Monday, June 19th will be the opening day of the Daily Vacation Bible School under the supervision of Mrs. Martha Bell. All children are cordially invited to attend.

Rev. Schauer Reassigned To Church Here

Rev. U. S. Schauer again will occupy the pulpit of Central Church, Marcelina and Arlington avenues, after a weeks absence, due to attendance at the Annual California Conference Session held in Glendale. Rev. Schauer has been assigned to a second year as Minister of Central Evangelical United Brethren Church. In recognition of Father's day which is observed this Sunday, Rev. Schauer will speak on the Sermon topic: "A Father's Failure." Both parents and children are invited to attend the fully-graded Church School which meets at 9:45 a. m. every Sunday.

Young People To Attend Conference

Several members of the First Christian Church of Torrance have announced their intention of attending the young peoples conference of the church to be held from June 17 through July 1 at Idyllwild. Those attending from here include Doro Ritko, Nancy Prime, Beverly Rogers, Valerie Daniels, Elizabeth Middleton, Carol Wiltner, Nancy Rogers, Dickie Burgenes, Jeanne Columbo and Janet Robinson. The Young People's 6 p. m. meeting Sunday will take up the theme "My Dear Ego," according to an announcement by members of the group.

Navy Reserve Seeks Trainees

Organized Surface Battalion 117 which meets at the Navy Reserve center on Terminal Island every Monday, Tuesday, and Thursday evening has a few openings for the following ratings: radiomen, electricians, motor machinists, mates, shipfitters, cooks, and bakers. Anyone who is interested in filling these vacancies or "striking" for these ratings may contact Lt. (JG) John P. Schwartz at Torrance 3040J or Lt. Comdr.

Atomic Force Science Theme

"Is the Universe, Including Man, Evolved by Atomic Force?" This question is the Sunday Lesson-Sermon subject in all branches of The Mother Church, The First Church of Christ, Scientist, in Boston. The Golden Text is from John: "In the beginning was the Word, and the Word was with God, and the Word was God. All things were made by him; and without him was not any thing made that was made."

A Bible story from John reports that the disciples "entered into a ship, and went over the sea toward Capernaum. . . . And the sea arose by reason of a great wind that blew. So when they had rowed about five and twenty or thirty furlongs, they saw Jesus walking on the sea, and drawing nigh unto the ship; and they were afraid. But he saith unto them, It is I; be not afraid. Then they willingly received him into the ship; and immediately the ship was at the land whither they went."

Mary Baker Eddy writes in "Science and Health with Key to the Scriptures": "Jesus walked on the waves, fed the multitude, healed the sick, and raised the dead in direct opposition to material laws. His acts were the demonstration of Science, overcoming the false claims of material sense or law."

Christian Church Plans Dinner To End Fund Drive

Members and friends of the First Christian Church met Tuesday evening for the annual meeting of the congregation and heard reports on the new heating equipment for the parsonage, renovation of the floors in the sanctuary, the brass altar set and other business matters of the church. Presided over by Charles Stock, the meeting churchmen were also told that the Crusade goal of \$3600 set three years ago will probably be raised at the Victory Dinner to be held Sunday evening, June 25. The monies collected in the Crusade drive are given toward reconstruction work around the world. Next year's receipts in the drive will be used for the local building program, the members were told. A final windup for the year's work will be celebrated Sunday evening, June 25 with a Victory Dinner. Mrs. Carmella Barnes, associated with the Mississippi Institute and other Christian colleges, and now a director of the Avalon Community Center in Los Angeles, will bring some of the Jubilee singers to entertain. The singers are famous in the Southland. A new summertime schedule was announced at the meeting to be effective during July and August. Bible school and worship services will be held simultaneously each Sunday beginning at 10 a. m. and lasting until 11 a. m.

A. W. Anderson at Lomita 1871J. Young men 17 years old or older are eligible to enter the training classes currently being conducted in all these specialty ratings.
